ASIAN periOperative Nurses association

May 31 , 2010

Dear perioperative nursing colleagues,

It is my great pleasure to invite you to the 1st ASIORNA conference in Kuala Lumpur, Malaysia. The theme for this inaugural conference of the Asian Perioperative Nurses Association is **"COLLABORATION OF ALL PERIOPERATIVE NURSES 2010"** Our keynote speaker will be Mr. Patrick Voight the past president of AORN(2009-2010) and then will be followed by Ms Jane Reid, you maybe aware of her, the IFPN President. So we're very pleased to have both of world renown speakers representing Perioperative nursing throughout the world.. In addition, there'll be many oral presentations and poster presentations from our member countries in Asia. So many wonderful program opportunities for you to take and be involved during our conference. We're also very pleased to have a special event of Asian Perioperative Fellowship Night that will occur on the 27th of October and give us special fun.. *In addition, you'll have an opportunity to tour a hospital in Kuala Lumpur.*

So Please join me in networking opportunities with your colleagues around the Asia as we increase our knowledge related to perioperative nursing through research ,QI, education and evidence-based practice.

On behalf of the ASIORNA board , I offer my best wishes for an enjoyable and productive conference.

Sincerely,

Kesook Yoon, RN, PhD. CNOR  
ASIORNA President

## HOST COUNTRY

### THE LAND

Located in the tropics, Malaysia straddles the South China Sea - Peninsular Malaysia is at the tip of mainland Southeast Asia, while the states of Sabah and Sarawak are on the island of Borneo. The nation's natural diversity offers visitors a range of attractions including beautiful beaches, idyllic islands, cool hill stations, historic towns, a dynamic capital and the world's oldest rainforests with an astounding diversity of flora and fauna.

### THE PEOPLE

Malaysia is truly multicultural and one of its greatest resources is its rich cultural diversity. Malays number around half of the total population of over 21 million, while the other half comprises Chinese, Indians, Ibans, Kadazans and other ethnic groups.

### LANGUAGE

Bahasa Malaysia (Malay) is the national and official language of the country. English is widely used all over the country. Other languages are Mandarin and Tamil.

### RELIGION

The official religion of Malaysia is Islam. However, Buddhism, Taoism, Hinduism and Christianity are widely practiced by the various races.

### CLIMATE AND CLOTHING

Malaysia has an equatorial climate with uniform temperatures throughout the year. Temperatures range from 32°C during the day to 22°C during the night. It is slightly cooler in the hill country. Rainfall is common throughout the year, averaging 200 - 250 cm a year. Light comfortable clothing is the norm with lightweight woolens required for visits to highland areas.

### CURRENCY AND BANKING

The Malaysian Ringgit (RM) is issued in notes from RM 100 to RM 1, and coins from RM 1 to one sen (cents). Major credit cards are accepted in cities and large towns. Permitted currency limits are as follows:

- A resident and non-resident is permitted to carry into and out of Malaysia, ringgit notes not exceeding RM 1000 per person.
- There is no limit on the amount of foreign currency notes and travellers' cheques that can be brought into the country.
- A resident is permitted to carry out of Malaysia foreign currency notes including travellers' cheques not exceeding RM 10000 equivalent per person.
- A non-resident is permitted to carry out of Malaysia foreign currency notes including travellers' cheques not exceeding the amount brought in.
- Banking hours (except for the states of Kedah, Kelantan and Terengganu) are from 1000 to 1600, Monday to Friday, and 0930 to 1130 on Saturday except for the first and third Saturday of each month when banks are closed.

All commercial banks are authorized foreign exchange dealers, and licensed money changers are found in urban centres, key entry/exit points and shopping complexes. Foreign currency and travellers' cheques can also be exchanged at major hotels.

### TIME

Standard Malaysian Time is eight hours ahead of GMT.

### UTILITIES

Electricity supply in Malaysia is 240-volt, 50 hz.
